REMARKS,

As to order, morals, and prospects of the School.

1st As to order it is very good generally, to be sure there are some refractory ones, but a very few. 2nd As to morals-religion is strictly observed, insofar as reading the Bible, singing a hymn at opening & singing at closing, goes. 3rd As to prospects they are very good - as I expect I have 25 enrolled and hope to get more where it is known there is school - they learn fast.
